Dear Potential GOMAC Tech Exhibitor:

GOMAC has become the premier forum of government funded microcircuit research and provides the opportunity to present leading edge research, as it applied to these challenges.

At this time GOMAC Tech is soliciting Exhibitors for GOMAC Tech '03 to be held at the Hyatt Regency, Tampa, Florida.

With the rapid emergence of asymmetric threats, GOMAC '03 has been organized to address approaches to detect and counter threats that have become more dynamic and in far deeper hide. These include extensions to conventional theatre engagements as well as recent threats posed by terrorism and urban warfare, all of which must be engaged and countered in reduced timelines.

Enclosed is an Exhibitor Package containing information on how to reserve exhibit space at the Hyatt Regency, Tampa, Florida. The Package consists of the following: (1) an Application for Exhibit Space, (2) an Exhibit Space Floor Plan, (3) Exhibit Rules and Guidelines. All accepted applicants will be listed in the GOMAC Tech Advance Program as GOMAC Tech 03 Exhibitors.

This application, properly executed by the applicant, shall, upon written acceptance and notification of booth(s) assigned by the GOMAC Tech Executive Committee or its agent, constitute a valid and binding contract. Once exhibit space is confirmed, the exhibiting company's logo will be displayed on the GOMAC Tech '03 website. The logo will be linked to the exhibiting company's site.

If an exhibitor must cancel space already contracted for, the following cancellation fees will be assessed:
