

March 19, 2020

Dear GOMACTech 2020 Community:

After serious consideration and reviewing options for a path forward, the GOMACTech Steering Committee has decided that due to the COVID-19 pandemic concerns, we will not reschedule the 2020 GOMACTech conference originally planned for March in San Diego, California.

We will proceed with GOMACTech 2021 in Charleston, South Carolina, from March 29 to April 1, 2021, at the Embassy Suites by Hilton Charleston Area Convention Center.

We have reached out to all our attendees and exhibitors regarding rollovers and refunds. If you have any questions about those, please email Samantha Tola at stola@pcm411.com.

We would like to thank you for your interest in the GOMACTech Conference. We are disappointed that this year's conference was not able to proceed, due to forces beyond our control, but we are already looking forward to our next conference. Stay safe and healthy, and we will see you in Charleston in 2021!

Sincerely,
The GOMACTech Steering Committee
